# WELCOME

Dear Colleagues,

On behalf of the European Society of Endodontology and its Executive Board, it is my great pleasure to welcome you to the Vilnius Autumn Meeting.

We are delighted to host you in Vilnius, the capital of Lithuania, a city rich in history, culture, and academic tradition.

This meeting brings together clinicians, researchers, educators, under-graduate and post-graduate students from across Europe and beyond, offering a valuable opportunity to exchange knowledge, discuss the latest scientific advances in endodontology, and strengthen professional collaboration within our community.

The scientific program has been carefully designed to provide high-quality lectures, engaging discussions about progress in research and clinical procedures concerning four specific topics, delivered by distinguished speakers in the field. We hope it will inspire fruitful dialogue, critical thinking, and will provide new knowledge that you can carry into your daily practice and/or research.

Beyond the scientific sessions, you could also enjoy the vibrant atmosphere of the city and experience Lithuanian hospitality.

Looking forward to meet you in Vilnius, wishing you a rewarding, inspiring, and enjoyable ESE Autumn Meeting.

With warmest regards

Gianluca Gambarini - President of the ESE

# WELCOME

Dear ESE Community,

On behalf of the Lithuanian Society of Endodontology, it is my great honour and sincere pleasure to welcome you to the ESE Autumn Meeting 2026, taking place in Vilnius, Lithuania, on 23 and 24 October 2026, at the Radisson Blu Hotel Vilnius.

Hosting the European Society of Endodontology in Lithuania for the first time is a truly historic moment for our professional community. We are proud to welcome clinicians, researchers, educators, postgraduate and undergraduate students from across Europe and beyond to our country and our capital city.

Vilnius is a city where tradition meets innovation – rich in history, vibrant in culture, and strongly connected to academic and scientific progress. We hope you will enjoy not only the scientific programme of the meeting, but also the unique atmosphere of Vilnius, including its UNESCO-listed Old Town, and experience the charm of autumn in Vilnius, a season that brings a special warmth and beauty to the city.

The ESE Autumn Meeting provides an outstanding opportunity to exchange knowledge, explore the latest scientific and clinical developments, and strengthen collaboration within the endodontic community. The programme has been carefully designed to offer high-quality lectures, clinically relevant insights, and evidence-based perspectives on key contemporary topics – supporting both daily practice and research.

I also warmly encourage students, residents, and academic colleagues to take part in the scientific contribution of the meeting by submitting abstracts and presenting posters. This congress is an excellent platform to share ideas, gain international experience, and connect with the wider European endodontic community.

We truly look forward to welcoming you to Vilnius in October 2026 and to sharing with you an inspiring and memorable meeting in Lithuania.

With my warmest regards

Paulius Tušas - President Lithuanian Society of Endodontology

## APPLICATION FOR SPONSORS AND EXHIBITORS

In order to be considered as an Exhibitor, an application form must be completed and signed by a legally competent individual and delivered (or uploaded) to the ESE before any relevant deadlines. However, mailing or delivering the Application Form to the ESE does not constitute a formal agreement that the Exhibitor will be accepted. Contractual Conditions are constituted only after the ESE has sent written confirmation of acceptance to the Exhibitor. In case of acceptance, Exhibitors will be bound by the Terms and Conditions for Exhibitors. The ESE reserves the right to refuse any application to exhibit without giving cause. Exhibition space is allotted according to the terms and conditions as listed in the Information for Exhibitors. The ESE may exclude any company that disobeys the directives of the ESE from the exhibition. All oral agreements, special permissions and special arrangements are valid only upon receipt of written confirmation.

# TERMS AND CONDITIONS FOR EXHIBITORS

## DISMANTLING OF BOOTHS

The Exhibitor must dismantle the booth within the allotted time and return hired furnishings on time. Upon leaving, the Exhibitor must clear the booth area and clean the floor. Stored materials, empty containers and packing materials must be disposed of. Items for which the Exhibitor has made no arrangements regarding removal and storage at his/her cost and which are left behind become the property of the ESE, and no reimbursement will be made for such items. The ESE can demand that Exhibitors restore the exhibition area to the original condition at the Exhibitor's expense. If the Exhibitor does not dismantle and clear away their exhibit in a timely manner, these items will be removed by the ESE at the Exhibitor's cost. The Exhibitor is liable for the actual cost incurred by the ESE for such removals of abandoned exhibits. Rented items, which were originally accepted as satisfactory for rental by the exhibitor, are to be returned undamaged and in a satisfactory condition. All rented items are considered to be in satisfactory condition unless a written notation signed by the ESE is made at the time of rental. Exhibitors must bear the costs of repairs to damaged exhibition areas and of repairs of or necessary cleaning of rented items.

## PAYMENTS - BREACH OF CONTRACT

Please refer to the terms of payment, reduction and cancellation policy and corresponding deadlines as given in the Information to Exhibitors. The contract shall remain in full force and effect in case of merger or acquisition of the contracting company. The dimensions of floor space, booth measurements and rented items given are approximate. The ESE reserves the right to change these dimensions in order to most efficiently use the available exhibition area and to adjust the booths to the blueprints of the exhibition halls. Prices charged are however based on the actual dimensions; if more floor space is later allotted and actually used than was originally ordered, the additional fee for it is to be paid immediately. Special requests regarding placement of the booths will be considered. However, such requests do not constitute a condition of registration on the part of the Exhibitor. Furthermore, the ESE reserves the right to reduce the amount of floor space initially requested. Failure to comply with local authorities and international regulations may not be used as a ground to declare the contract void. Failure to comply with the Rules and Regulations will not expose the ESE to any suits or demands by the Exhibitor and/or any third party. Exhibitors must bear the cost of any special installations. In case of delayed payment, ten per cent (10%) interest per annum is charged. If a company wishes to renounce all claims to taking part in an exhibition after having contracted to do so, the company is nevertheless liable for the rental sum and for incidental expenses.

# TERMS AND CONDITIONS FOR EXHIBITORS

In case of cancellation of the exhibition, the ESE will return the part payments received less the sum equivalent to the costs that have arisen for the ESE up to the time of cancellation; the registration fee will not be returned
